

Floor & Wall Expansion Joint Profile

Product Information

Product Model	NZ
Product Type	Floor & Wall Expansion Joint Cover
Material	Aluminum Alloy 6063 T6 with S.S. Clips
Finish	Mill finish

Our NZ profile offers a simple yet effective solution for floor and wall joints, designed to make installation and maintenance a breeze. Crafted from durable aluminum, this profile is engineered to provide a straightforward, no-fuss answer to your joint needs.

Features and Benefits

Versatile Gap Range

The NZ profile is compatible with gaps ranging from 15mm to 70mm, making it suitable for a wide range of applications on both floors and walls.

Easy Installation

Each 3-meter length of the NZ profile is conveniently delivered with four clips for installation, ensuring a hassle-free setup. This feature makes it an excellent choice for those seeking a quick and simple solution.

Low Maintenance

With a design focused on simplicity, maintenance is minimal, ensuring long-term performance without added hassle.

Pedestrian Load Capacity

Designed to accommodate pedestrian loads, the NZ profile is perfect for areas with lighter traffic.

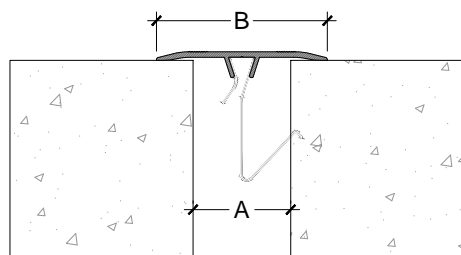

Simplicity

The NZ profile is all about simplicity, providing a practical solution for a range of joint gaps without the need for complicated installations or extensive maintenance.

Maintenance

- > Regularly inspect the expansion joint cover for signs of damage or wear.
- > Clean with mild soap and water as needed to maintain appearance.

Code	Gap width A(mm)	Visible width B(mm)
NZ 50	15-30	50
NZ 70	30-50	70
NZ 90	50-70	90

Length	Standard length: 3 meters.
Fire Rating	ASTM E84 Class A.
Installation	Please follow the installation instructions provided in the J-CAP installation guide.
