

Floor Expansion Joint Profile

Product Information

Product Model	RFH
Product Type	Floor Expansion Joint Cover/heavy-duty Profile
Material	Aluminum Alloy 6063 T6
Finish	Mill finish

Introducing our RFH Profile, a heavy-duty aluminum construction designed for versatile applications with multi-directional movement capabilities

Features and Benefits

Multi-Directional Movement
Ingeniously engineered with flexible connections between parts and equipped with rubber gaskets, ensuring seamless movement in multiple directions.

Versatility
Accommodates different load types, making it a versatile solution for various commercial and industrial settings.

Aesthetics
Its sleek aluminum design seamlessly integrates with surrounding structures, maintaining a visually appealing environment.

Easy Installation
Quick and hassle-free installation process with clear instructions provided.

Versatile Weather Endurance
Engineered with corrosion-resistant properties, this expansion joint cover is well-suited for indoor and outdoor applications. For outdoor use, a water barrier must be incorporated to ensure optimal performance.

Maintenance

- Regularly inspect the expansion joint cover for signs of damage or wear.
- Clean with mild soap and water as needed to maintain appearance.

Code	Gap width A(mm)	Visible width B(mm)	Installation height C(mm)	Installation width D(mm)	Total movement (mm)	Load Capacity
RFH 100	100	100	50	212	30mm (+15 -15)	Private Vehicles
RFH 150	150	150	50	262	60mm (+30 -30)	Private Vehicles

Length	Standard length: 3 meters.
Fire Rating	ASTM E84 Class A.
Installation	Please follow the installation instructions provided in the J-CAP installation guide.
