Wall & Ceiling Expansion Joint Profile

▌ Product Information

Product Model	SA
Product Type	Wall & Ceiling Expansion Joint Cover
Material	Aluminum Alloy 6063 T6
Finish	Mill finish

SA is a straightforward cover plate suitable for both wall and ceiling applications. Designed to add a touch of sophistication, it ensures a polished finish while delivering functional convenience.

▌ Features and Benefits

High-Quality Aluminum Construction
Durability and longevity, ensuring the cover remains in excellent condition over time.

Sleek and Stylish Design
Enhances the aesthetics of your space, adding a touch of sophistication.

Easy Installation
Saves time and effort during setup.

Low-Maintenance Design
Requires minimal upkeep, reducing long-term maintenance costs and efforts.

Form and Function Combined
The cover strikes a balance between visual appeal and practicality, making it a versatile solution.

▌ Maintenance

➤ Regularly inspect the expansion joint cover for signs of damage or wear.

➤ Clean with mild soap and water as needed to maintain appearance.

Code	Gap width A(mm)	Visible width B(mm)	Total movement (mm)
SA 25	25	155	50mm (+25 -25)
SA 50	50	180	50mm (+25 -25)
SA 75	75	205	50mm (+25 -25)
SA 100	100	280	100mm (+50 -50)
SA 150	150	330	100mm (+50 -50)
SA 200	200	380	100mm (+50 -50)
SA 250	250	480	150mm (+75 -75)
SA 300	300	530	150mm (+75 -75)
SA 400	400	630	150mm (+75 -75)

Length	Standard length: 3 meters.
Fire Rating	ASTM E84 Class A.
